

1 Manual Riksja Canopy

Parts overview

1. Strapholder + screws (2x)
2. Strap (2x)
3. Mounting tube (2x)
4. Bolt M6 + washer + nut (4x)
5. Canopy (not pictured)
6. Frame (not pictured)

Step 1: Mounting the tubes

Mount the tubes on the side panels of the Riksja with the four M6 bolts, nuts and washers.

Step 2: Mounting the frame and canopy

Place the frame with canopy into the tubes. Make sure the elastic strap is stretched over the strap holder.

Step 3: Fixing the canopy

Put the front of the frame through the Velcro strip on the canopy. Fix the three Velcro straps around the back of the frame.

Step 4: Mount the strap holders

Mount the strap holders with the supplied screws at the dimensions shown here
